The Right To Life Committee of New Mexico Volunteer Program

...All men are created equal... with certain inalienable rights, that among them are **LIFE**...

We defend this Civil Right of our most vulnerable citizens of New Mexico.

How Your Time and Talents Can Help!

We understand the many demands people have in their lives today, so we thank you for considering volunteering time for the Right To Life Committee of New Mexico (RTLNCNM). With only three part-time and one full-time employee, the work done by our volunteers ensures that we spend every dollar we have on educating the citizens of New Mexico on the topics of abortion, infanticide, euthanasia, and associated topics of stem cell research and cloning. Pro-life issues are crucial to our state, our nation, and the world.

RTLNCNM is an educational, Civil Rights, non-religious, not-for-profit, non-partisan organization. Consequently, our diverse volunteers are all ages, from all walks of life, and various economic and cultural backgrounds.

There is always something to be done, so volunteering can be as little or as much time as you can afford. Time spent can provide work experience and sometimes even school credit, as well as the joy of being with other pro-lifers and making a difference. We have many needs and appreciate your willingness to share your time and talents with RTLNCNM.

The Future is in our Hands.

The greatest destroyer of peace is abortion, because if a mother can kill her own child, what is left for me to kill you and you to kill me? There is nothing between.
